Locally owned Title Company's new Senior V.P. lends company an edge

Freedom Title poised for continued growth and success

FLOWER MOUND, TX– January 16, 2014- Freedom Title is pleased to announce that Dawn Thompson has accepted the position as Senior Vice President, Escrow Operations Manager.

Dawn will be responsible for overseeing Freedom Title's operational workflow as well as the development and servicing of all Title and Escrow products. Additionally, Dawn will direct the company's process improvements on education and compliance, resulting in an enhanced employee and customer experience.

Dawn's beginnings in the Real Estate Industry were as an on-site sales assistant for a high volume home builder. Also a former Realtor, Dawn can identify with the needs and expectations of clients. Her time in real estate led her to the Title Insurance Industry where she began her successful career over 15 years ago. Dawn quickly climbed the ranks at a national title company serving as an Escrow Officer, Branch Manager, Fee Attorney Division Manager, and ultimately Escrow Operations Manager for the Dallas/Fort Worth Division.
